EDWIN D. HILL

HON. DONALD NORCROSS

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Monday, December 10, 2018

Mr. NORCROSS. Mr. Speaker, I rise today as a proud and lifelong IBEW member to honor the life and legacy of IBEW International President Emeritus Edwin D. Hill. I join with President Hill's family and friends in mourning his loss. Mr. Hill dedicated his life to the labor movement and spent nearly six decades in service to working families through the International Brotherhood of Electrical Workers. It is fitting that we recognize the late Edwin D. Hill, on the floor of the House of Representatives, as someone who was a true leader in the organized labor movement.

Mr. Hill was originally from Center Township, Pennsylvania. He was a Journeyman Wireman by trade, and from a young age he made the IBEW his calling. He was a second-generation member and began his labor career in 1956 as a construction wireman, and he later became the Business Manager of Beaver County's International Brotherhood of Electrical Workers Local 712.

Mr. Hill continued his career serving as the International Vice President for the union's 3rd District, covering Pennsylvania, New York, New Jersey, and Delaware. In 1997, Hill became the International Secretary and shortly after became International Secretary-Treasurer when the two positions were combined. He then became President of the International Brotherhood of Electrical Workers in 2001, a position which he held until 2015.

During his tenure as President of the IBEW, Hill implemented and pioneered new programs such as the Code of Excellence, as well as an alternate job classification program to help contractors successfully bid on projects. Furthermore, he pioneered business development initiatives and oversaw an expanded investment in membership development, which ensured that the IBEW could not only survive through the toughest of times but expand and grow.

Mr. Hill's dedication and hard work affirmed the legacy of the International Brotherhood of Electrical Workers, and now the dreams of its founders are being realized by new generations of electrical workers. Through his leadership, the International Brotherhood of Electrical Workers is one of the strongest and most influential unions in North America.

Mr. Speaker, the late Mr. Edwin D. Hill dedicated his life to the organized labor movement and he ably led the International Brotherhood of Electrical Workers with vision and integrity. I hope that you will all join me in honoring his life and legacy.

HONORING DAVE TURNER

HON. JARED HUFFMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, December 10, 2018

Mr. HUFFMAN. Mr. Speaker, I rise today to recognize Dave Turner, who is retiring on December 10, 2018, after eighteen years of service to the City of Fort Bragg.

Born in Fort Bragg at the old Coast Hospital in 1951, Dave and his family relocated to the San Francisco Bay Area in 1960. He went on to attend Stanford University where he majored in "Social Thought and Institutions," a political science honors program. While at Stanford, Dave opened a specialty sleep shop to help pay his way through college. The sleep shop, FloBeds, was so successful that in 1992, Dave and his wife Anne moved their family and business to Fort Bragg. They wanted to raise their four children in a town "where the community watches out for kids."

Dave's love of community drew him to public service where he proceeded to dedicate many hours as a public servant. He served two years as planning commissioner before being elected to the Fort Bragg City Council in 2002. He was re-elected in 2006, 2010, and 2014, serving sixteen years on the City Council. He served as Mayor of Fort Bragg for eight years, from 2004 to 2006 and again from 2010 to 2016.

As a Fort Bragg City Councilmember, Dave served on the City's Finance and Administration Committee as well as the Public Works and Facilities Committee. He was an active member of numerous Ad Hoc Committees on the following topics: Inflow and Infiltration, Mill Site, Technology, and Town Hall Dais. Dave also served as the City's representative to the Fort Bragg Fire Protection Authority and the Mendocino Solid Waste Management Authority.

After eighteen years of public service, this day marks Dave Turner's last Fort Bragg City Council meeting and his 67th Birthday. I hope you will join me in recognizing his dedicated years of service and send him best wishes on his birthday and retirement from the City Council.

IN RECOGNITION OF BOB
GRASSILLI

HON. JACKIE SPEIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, December 10, 2018

Ms. SPEIER. Mr. Speaker, I rise today to honor a great friend and leader, Bob Grassilli, who is departing the San Carlos City Council after serving from 2005 to 2018 and three times as Mayor. Bob's leadership during his years in city life has left an indelible imprint on San Carlos.

From 1994 to 2000, Bob served on the planning commission and struggled with some of the most vexing problems of the community. Bob served on the Railroad Land Use Committee, a temporary entity that left a lasting impact in the form of an extensive grade separation project that now saves lives throughout the year.

During his time on the council, San Carlos created a new budget process, contracted for police and fire with other agencies to save taxpayer money, ended its chronic budget deficits, and started new communications efforts with citizens. A major medical practice building was built and a hospital remains in the city's future. New hotels have been constructed, including one that required the city to aggregate land and to solicit an investor. Many claimed the hotel effort would fail. Bob and his colleagues knew better and it's been a major success.

After years of planning, major housing developments are now dotting the landscape of San Carlos. These units, and others that are planned, give people a chance to live near work, to improve the environment by reducing their emissions related to commutes, and add vibrancy to the city's thriving downtown area. Bob Grassilli supported these new units and, as a developer, had a keen eye for the balance between aesthetics and the critical need to house a growing population.

Bob has a conciliatory personality, but he's not afraid to make hard choices. He voted for the controversial Holly Street restriping project which opened up an additional lane to burgeoning traffic during commute hours. He voted to adopt a climate action plan despite the skepticism of some about whether humans play a meaningful role in global climate change. No one likes to be the one who votes to eliminate trees from a city that cherishes its landscape, but the trees were dangerous and

Bob stood up for public safety. He also made countless other choices about individual housing proposals, traffic lights and crosswalks, and the city's master plan that never pleased everyone. This is leadership—the willingness to take the hits because in the long run the public deserves the choice you believe is in its best interests.

One anecdote illustrates Bob's dedication to public service. As mayor, he was alerted to a dangerous road condition that had been inadvertently created by a city road contractor. He drove to the scene and confirmed that the intersection was dangerous. He contacted the city manager and then waited about 90 minutes for a crew to show up to fix the problem.

At the time, Bob was wearing his signature lime-green polo shirt. It served the dual purpose of alerting oncoming traffic—from 1000 feet away—to a road hazard and it protected Bob from being hit. Unfortunately, it also created its own hazardous road condition. Bob knows so many people in San Carlos that motorists and pedestrians would honk or shout out and wave to him, sometimes even congratulating him on his fashion choice, but they also sometimes lost track of where they were in the dangerous intersection. Thankfully no one got hurt. The insight from this anecdote is clear: Bob Grassilli dresses for success and never leaves until the job is done.

In his private life, Bob is one of the Peninsula's consistent philanthropists. He sits on the board of one foundation and personally contributes thousands to some of our most important safety net nonprofits in San Mateo County. He also participates in countywide and regional bodies focused on good governance. He's a leader who is dedicated to ensuring that others receive a fair shake in life through better public services and assistance when times are difficult.

Bob will be challenged in retirement from public life because he will have to be satisfied by what newcomers may do. These choices may be different from his own. However, Bob is a true product of American democracy. He may disagree with any given choice and yet celebrate the outcome because it is created by the people of his community through an elected city council. A man who is satisfied with a dissatisfying result because it was fairly determined is an uncommonly wise individual and a too-rare public official in modern America. However, this is the man who we know as Mayor Bob Grassilli, the wise man with the gavel and the model for those who cherish local government in all its glory.

HONORING ENDERCIO CHAPA, JR.

HON. VICENTE GONZALEZ

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, December 10, 2018

Mr. GONZALEZ of Texas. Mr. Speaker, I rise today to recognize Judge Endercio Chapa, Jr., a Justice of the Peace in Live Oak County. For 28 years, Judge Chapa prioritized the needs of Precinct 4 and approached every circumstance with a fair and open mind.

I wish Judge Chapa all the best and hope his time is well spent with his wife, Margie, and their three daughters, Claudia, Salina, and Isabella.
